News from Lisa

Brandi Mathers

We have added another member to our hairdressing staff. Meet Brandi and stop by to see her. She'll be happy to make you an appointment for the service you desire. Adding staff is a direct result of the support we are receiving from Pennbrooke residents and for that, we are grateful. And remember, we save you gas!

Brandi and Lisa worked side by side in the exact same salon in Ohio 16 years ago.

Our nail tech Christa has new winter colors ... all OPI, of course.

Locks of Love

Judy Erickson Donates her ponytail

If you go to locksoflove.com on the internet, you can get a full rundown on the purpose of this charitable organization. As noted on the site, hair donation is a simple way to provide a child with locks of love. If you have a ponytail that is

10 inches or longer, you can donate hair so a child who has lost theirs can look more like themselves. Bald children often hide their condition under hats... your hair donation could provide a better solution. Check it out.

Here's a photo-record of Judy's "transformation:"

...and somewhere, a child says Thank You!
